(3) The Municipal Commissioner may, if he thinks fit, construct such part of the work necessary for having a private house-drain made to communicate with a municipal drain as is or under a public street and in such a case, the expenses incurred by the Municipal Commissioner shall be paid by the owner or occupier of the premises in advance in accordance with such regulations as may be made by the Corporation in this behalf.

(e) to provide and set up all such appliances and fillings as may appear to the Municipal Commissioner to be necessary for the purpose of gathering and receiving the waste water from floors and galleries of buildings when they are washed and conveying the same through spouts by down-lake pipe so as to prevent such waste water from discharging directly on streets or inside any lower portion of the premises;

(2) Where in any case not provided for in sub-section (1), any premises are, in the opinion of the Municipal Commissioner, without sufficient means or effectual drainage, he may, by written notice, require the owner of the premises—

Provided that no such connections shall be made except upon such terms as may be provided by the regulations and until any payment, which may be directed by the Municipal Commissioner in accordance with the regulations, has been duly made.

(1) Where the Municipal Commissioner is of the opinion that any group or block of premises may be drained more economically or advantageously in combination than separately and a municipal drain of sufficient size already exists or is about to be constructed within thirty metres of any part of that group or block of premises, the Municipal Commissioner may cause that group or block of premises to be drained by a combined operation.

(2) The expenses incurred in carrying out any work under sub-section (1) in respect of any group or block of premises shall be paid by the owners of such premises in such proportions as the Municipal Commissioner may determine and shall be recoverable from them as an arrear or tax under this Act.

"The proposed amendment, enacted by s. 16(i) of the Calcutta Municipal Corporation (Amendment) Act, 1996 (Wd Ben. Act VI of 1996), to sub-clause (c) of clause (2) or section 390 is not correct. This amendment was perhaps made in order to omit the amendment promulgated by the Calcutta Municipal Corporation (Amendment) Ordinance, 1995 (Wd Ben. Ord. III of 1995) where the words lodging or rooming houses, guesthouses, dormitories, • were inserted after the words "mental hospitals" which has no practical relevance as no amendment promulgated by an Ordinance can be incorporated in an Act. However, no additional words would perhaps be required to be incorporated after the words "mental hospitals" in sub-clause (c) of clause (2) of said section.

Hence, words within the square brackets were inserted by s. 16(i) of the Calcutta Municipal Corporation (Amendment) Act, 1996 (Wd Ben. Ad VI of 1996)."
